

Work Experiences

Freelance Product Designer

Munich, Germany Apr 2022 - Present

- Managed end-to-end product design processes for various startups and brands, overseeing research, ideation, design, and delivery of new products.
- Designed user interfaces for websites, mobile applications, web apps, and branding projects, enhancing the user experience across multiple platforms.
- Collaborated with cross-functional teams in diverse industries to deliver research-driven, scalable design solutions.

Senior Product Designer

Coyotiv GmbH - Berlin, Germany Apr 2022 - Apr 2024

- Created social media assets that supported increased course enrollment and successful participant graduation.
- Designed and delivered websites for Coyotiv's initiatives, producing ready-to-publish interfaces using no-code tools and custom components.

Senior Product Designer

Hipporello - Carmichael, CA Sep 2021 - Apr 2022

- Established a unified design system that improved team alignment, elevated design quality, and supported scalable product development.

Product Designer

T2 Software GmbH - Ankara, Turkey Feb 2021 - Aug 2021

- Designed dashboards for aircraft, naval, and defense systems, enhancing UX through close collaboration with development teams.

Product Designer

DIGIT Technologies - Ankara, Turkey Jul 2018 - Mar 2020

- Led the end-to-end design process for the Onlock app, delivering animations, packaging, visual assets, and digital content for social media.

Industrial Designer

Venn IDC - Ankara, Turkey Aug 2017 - Jul 2018

- Developed product concepts and strategies using benchmarking, brainstorming, and SWOT analysis to align solutions with user and client needs.
